Events

The APEGM Chinese Members Chapter has successfully organized the first event during the fiscal year of 2014 from July 1, 2013 through June 30, 2014.

Date: June 11, 2014

Location: APEGM Office Boardroom

Attendees: 45

Subject: the commemorative ceremony for the Chapter establishment

Brief description: The history about the establishment of the Chinese Members Chapter was briefly introduced by the Chapter Preparatory Committee members at the event. The APEGM Executive Director and Registrar, Mr. Grant Koropatnick, was invited to attend and provided an opening speech on behalf of APEGM office. Mr. Grant Koropatnick has been providing significant support towards the setup of the Chinese Members Chapter. The president of Filipino Members Chapter was also invited and attended the event.

The event keynote speaker, Dr. Qiang Zhang, professor from the Biosystems Engineering, University of Manitoba, presented a speech namely " Culture Difference and Engineering Profession, How to Adapt". The keynote speech was well received by the attendants.

Financial Report
