## RUSSELL HOOD

B.E. Civil, A.S.T.M., P.Eng.

Born November 4, 1932

Sydney, Australia

*Russell Hood became registered with this Association in June, 1959, and holds certificate number T.247. He served on Council for five years. In 1970 he was elected Vice-President of the Association and in 1971 he was elected President.*

*He was a member of the Membership Committee for five years, one year as Chairman. He served on the Engineering Technicians Committee for three years, one year as Chairman, Manscett's Certification Board for five years, four years as Chairman, and two years on Manscett's Board of Directors. He was a member of the Bulletin Committee for four years, Nominating Committee for two years, one year as Chairman, Budget Committee for one year, Executive/Finance Committee for two years, Awards Committee for five years, one year as Chairman, Practice and Ethics Committee for four years, and served two years as Chairman of the Ad Hoc Committee to Meet with the City of Winnipeg Task Force. He also served four years as our representative to C.C.P.E., one year as President.*

*The contribution to the Association made by Russ Hood, at great sacrifice of personal time and family life, has been generous in the extreme, and the cumulative total of forty-four years' service in a period of less than twenty calendar years is unique in the annals of the Association's history.*

*The Association is deeply indebted to him for the wide variety of service rendered by him in so many areas of the association's activities.*
