

Application for Admission

1. Confirm Eligibility

Review the “[Manual of Admissions](#)” to confirm eligibility for application. Please note that you should apply for registration with the provincial regulator in the province where the work you perform and practise is regulated.

2. Gather Documents

Review the “[Required Documents](#)” to know what documents are needed with your application.

3. Submit Application Form

Submit this completed application in .pdf format as indicated on **page 12** of application. Applications submitted in alternate formats will not be accepted.

NOTE: All sections of the application must be complete. If a section does not apply to you, indicate “Not Applicable”. Incomplete applications will not be accepted and will be returned.

4. Wait for Follow Up

Once the application has been submitted, you will receive an acknowledgement email which will contain information about your next steps. These steps may include instructions on how to set up your Association profile, complete the Act, By-laws, and Code of Ethics (ABC) test, and pay the application fee.

6. Declarations

The following declarations are essential to the processing of your application. By signing and dating, you indicate that you have agreed to abide by these declarations.

A) I have personally reviewed and am familiar with *The Engineering and Geoscientific Professions Act*, By-laws, and Code of Ethics for the Practice of Professional Engineering and Professional Geoscience, and I agree to abide by the terms contained therein.

No Yes

B) I declare that all of the statements in this application are complete and correct to the best of my knowledge and belief. I understand that a false statement or failure to provide the information requested may, at any time, disqualify me from registration. I authorize Engineers Geoscientists Manitoba (the Association) to obtain such additional information as it may deem appropriate, from such additional sources as it may deem appropriate, for the processing of my application.

No Yes

C) I understand that it is my responsibility to update my contact information with the Association as required. If I fail to do so, the Association will not be held responsible for any consequences related to inaccurate contact information including missed mailings, failure to receive renewal forms, or routing of personal information to other persons not authorized to view such information.

No Yes

D) I understand that the Association is required by law to provide certain applicant data information to the Fairness commissioner appointed under *The Fair Registration Practices in Regulated Professions Act* (The FRP Act), but that such information will not reveal the identity of any applicant. Such information may be used by the Fairness Commissioner to prepare reports and for other purposes under the FRP Act. I consent to the personal information that I have provided being used for such purposes.

No Yes

E) I understand that the Association is authorized to allow me access to any reports created by myself, but is not authorized to allow me access to any reports created by my supervisor/validator or professional member supervisor/validator or mentor without their written consent. I understand that if I request the return of my information, it shall be copied by the Association and copies sent to me by regular mail or .pdf only, unless otherwise agreed by both the Association and myself. Reasonable charges will apply.

No Yes

F) I authorize the Association to provide to my employer(s)/potential employer(s)/supervisor(s)/validator(s)/organization(s) any assessment details/results, the number of months of experience already credited or potentially credited, any professional development credits, volunteer service credits, and the status of my professional practice exam if requested by the employer(s)/supervisor(s) to facilitate the application process. I understand that it is my responsibility to keep my own back-up copies of my own progress report(s).

No Yes

NOTE: To practice professional engineering or geoscience within the Province of Manitoba as an employee, partner director, shareholder, principal, or agent of a partnership, corporation or other legal entity, you are not entitled to do so unless that entity has been issued a valid and subsisting Certificate of Authorization under s.16 of the Engineering and Geoscientific Professions Act. Should you violate the requirement, you and the related legal entity for whom you practice may be in violation of s.57 and/or s.59 of the Act. Pursuant to s.65 of the Act, every person who violates any provision of the act is guilty of an offence and liable, in the case of a first offence, to a fine of not more than \$10,000.00, and in the case of any subsequent offence to a fine of not more than \$20,000.00. The Court may also grant an injunction to prevent any further violation of the Act.

Privacy Consent Statement

Engineers Geoscientists Manitoba has adopted the Personal Information Protection and Electronic Documents Act (PIPEDA) as the standard by which it enforces protection of personal information. Personal information is defined as information about an identifiable individual, but does not include the name, title, business address, or telephone number of an employee of an organization. The Association shall not retain or disclose personal information of an individual without the consent of that individual. Please carefully review the Privacy Policy at www.EngGeoMB.ca/PrivacyPolicy.html in conjunction with the declarations below.

Yes, I have reviewed the privacy policy

Third Party Consent

The Association sponsors a range of products and services through third-parties that provide value added benefits to members and their families. To administer these products and services, the Association will provide the suppliers with your preferred mailing or e-mail address so that they may provide you with up-to-date information on their services and products.

NOTE: If you agree to have your personal contact information provided to these third-parties, you must contact the supplier(s) directly to be removed. The Association will provide a list of suppliers upon request.

I authorize Engineers Geoscientists Manitoba to release my contact information to third-party suppliers of member benefits who are approved by the Association.

7. Application Types

A. Please review the application types listed and select the option most appropriate for you.

If you are eligible to apply for both engineering and geoscience disciplines, you are required to submit a separate application and fee. You will be entered into the database with two profiles, one as an engineer and one as a geoscientist.

I am applying for:

> Path to P.Eng. or P.Geo.

Engineering Geoscience

First-Time: It is your first time applying with the Association.

Reinstatement: Previously applied with the Association.

Do you still have your Engineers Geoscientists Manitoba seal? Yes No

Licence Transfer (Canadian Mobility)

> Path to Temporary Licence

This only applies to US PE and international applicants.

First-Time Renewal US Mobility

(Must meet requirements as indicated in the eligibility criteria found at www.EngGeoMB.ca/ApplicantTypes.html)

> Path to Eng.L. or Geo.L.

Specified Scope of Practice Licence

Please indicate which path you are applying for:

First-Time: It is your first time applying with the Association.

Reinstatement: Previously applied with the Association.

Mobility

Company Registration

NOTE: Complete this section if you currently hold a P.Eng. or P.Geo. and are applying for Canadian Mobility OR are applying for a temporary license, OR are applying for professional member reinstatement. Individual and company registrations are done concurrently, so delays in providing required responses regarding one item may result in delays in processing the other item.

A Certificate of Authorization is a requirement of The Engineering and Geoscientific Professions Act for any corporation, partnership, or other legal entity which contracts to, or otherwise engages in the provision of services which constitute the practice of professional engineering or practice of professional geoscience, directly or indirectly.

Please review www.EngGeoMB.ca/CompanyRegistration.html and [FAQs](#) for more information.
