ENGINEERING PROJECTS MANAGER

Permanent Full Time Position

The District of Saanich is the largest municipality in beautiful Greater Victoria, blending both the urban and rural environment and home to approximately 124,000 citizens. Employing more than 1,500 members, our greatest asset is a high performing workforce. We provide a collaborative, dynamic and progressive work environment that consistently attracts top-quality people, enables them to perform at their best and grow their skills. Our competitive wages, excellent benefits package, generous pension plan, flexible work program, supporting and inclusive work environment and progressive initiatives make the District of Saanich a highly desirable place to invest your talent.

We have an exciting opportunity available for a permanent full time Engineering Projects Manager in the Water Resources Division. This position reports to the Manager of Infrastructure and Design and will be responsible for leading a team of unionized technicians in the design and delivery of the infrastructure priorities assigned from the annual 5-year capital budget, from preliminary design to final project close out. In addition, this position acts as Engineer of Record for designs prepared under their direct supervision and provides quality control of the team's engineering work under the District's Permit to Practice requirements.

Qualified candidates have a Bachelor of Applied Science in Civil Engineering or a related discipline/field; membership as a Professional Engineer (P.Eng.) with Engineers and Geoscientists of British Columbia (EGBC), PMP or minimum proficiency to pursue certification; six (6) years of progressive experience in a related position with a focus on capital project management, design; and construction of civil/municipal infrastructure in the Division discipline. Applicants should possess a valid BC Class 5 Driver's Licence and a personal vehicle available for use as and when required. An equivalent combination of education and experience may be considered.

In addition, candidates must also have professional knowledge and diverse experience in the principles, methods and techniques applicable to civil/municipal infrastructure design and construction, specifically in retrofit environments; demonstrated ability to successfully lead teams in the delivery of multiple projects simultaneously ensuring strong partnerships with internal and external stakeholders; demonstrated ability in applying engineering best practices in the review of reports and plans prepared by Professional Engineers to ensure project outcomes achieved; and excellent leadership and project management skills.

The annual salary for this exempt position is \$108,790 - \$127,980 (2024 rate) and an excellent benefits package. Role profile and competition information can be found at www.saanich.ca. **Please apply by end of day April 4, 2024, quoting competition 24071 to:** Human Resources, District of Saanich, 770 Vernon Avenue, Victoria, BC, V8X 2W7. **Your application must include a cover letter and resume.** Only those under consideration will be contacted.

The District of Saanich is recognized as one of BC's Top Employers for 2024. As an equitable and inclusive employer, we value diversity of people to best represent the community we serve and provide excellent services to our citizens. We strive to attract and retain passionate and talented individuals of all backgrounds, demographics, and life experiences. If you require any adjustments to enable participation at any stage of the recruitment process, please contact in confidence accessibilityHR@saanich.ca. We thank all applicants for applying.
