

**WANT TO TALK TO KIDS ABOUT ENGINEERING?
HERE'S HOW!**

CALL FOR VOLUNTEERS

**Professional engineers, engineering interns, engineering students...
Passionate about engineering and want to give back?**

**Engineer-in-Residence
PROGRAM**

EIR.CA

Apply Now

What is it? You get matched up with a local K-12 classroom and visit them about once a month to tell your story, do fun hands-on STEM activities with them, and talk to them about....engineering!

Who is it for? We're looking for volunteer engineers - professional engineering, engineering interns, and engineering students who are passionate about engineering and want to share that passion with others.

Where? We match you with a classroom that is CLOSE to you! You can tell us if you prefer to be matched closer to your home, or work address. We now also offer VIRTUAL matches!

When? The program starts September – but you need to apply NOW! Applications close July 31st.

How? Easy! Apply online at EIR.ca – it only takes a few minutes!

**INSPIRE THE NEXT GENERATION OF PROBLEM
SOLVERS AND GAME CHANGERS**
