

CALL FOR VOLUNTEERS

Want to get more involved with the Association? In need of hours for ProDev? If so the Association is looking for volunteers to sit on the Ingenium Task Group.

INGENIUM TASK GROUP

The Ingenium Task Group is made up of volunteers who are interested in helping plan the professional development seminars that will be offered at the Association's annual Ingenium conference in October. The task group will look at brainstorming suitable topics of interest to our membership and assist in locating suitable speakers to present at future conferences.

General Duties and Responsibilities:

- Brainstorm suitable technical topics of interest to the membership for professional development sessions at the conference.
- Locate suitable speakers to provide presentations at the conference

Specific Skills and Qualifications

- The Task Group is currently seeking **one engineering intern (EIT)** and **one professional engineer (P.Eng.) or geoscientist (P.Geo.)**
- Have interest in professional development
- Awareness of developments in engineering and geoscience
- Have good communication skills

Time Commitment:

The Task Group will meet as needed, with approximately one meeting per month with the project timeline of six months. Approximate time commitment of 2-3 hours per month.

How to Apply:

If you are interested in being a part of the Ingenium Task Group or want more information, please email Diana Vander Aa at Volunteer@EngGeoMB.ca.
