

## CALL FOR VOLUNTEERS

Are you interested in volunteering? Are you in need of volunteer hours? If so, the Association is looking for volunteers to assist promoting engineering and geoscience at our booth at the Rotary Career Symposium.

### **Rotary Career Symposium**

We are looking for volunteers to assist in staffing an Association booth and promoting engineering and geoscience at The Rotary Career Symposium being held on **Monday, March 16, to Wednesday, March 18** at the RBC Convention Centre. The Rotary Career Symposium provides a dynamic venue where students and adults gain valuable information about various education and employment options available in Manitoba, Canada, and even internationally!

#### General Duties and Responsibilities:

Assist in the promotion of engineering and geoscience as a career to students, parents, and teachers visiting the Association booth, by speaking about your path through engineering or geoscience and employment opportunities. Engineers Geoscientists Manitoba will also provide volunteers with information about the Association to be shared to the booth visitors.

#### Time Commitment:

We are looking for members who can volunteer in the booth for a minimum of a 3-4 hour block.

- Tuesday, March 17 from 8:45 a.m. to 12:15 p.m. and 12:15 p.m. to 3:15 p.m., and
- Wednesday, March 18 from 8:45 a.m. to 12:15 p.m. and 12:15 p.m. to 4:00 p.m.

#### How to Apply:

If you are interested in promoting engineering or geoscience to the next generation then please submit your intentions to [Volunteer@EngGeoMB.ca](mailto:Volunteer@EngGeoMB.ca) or contact Diana Vander Aa, Volunteer Coordinator at 474-2736 Ext 223.
