

Thomas Eugene Weber joined the Association on March 4, 1947, and holds certificate number 614. He became active in Association affairs almost immediately after being accepted into membership and for several years he was the entire Social Committee, as well as its chairman. He served on the Association Council for six years. He was Vice-President for one year, President for one year and also served the Association as Secretary-Registrar. He worked on the Engineering Technicians Committee, the Legislation Committee, the Awards Committee and the Engineers-Architects Committee. He has been on the Practice and Ethics Committee since its inception and currently holds the onerous position of chairman. This Committee deals with such serious matters as the investigation of all complaints, the laying of complaints and discipline. Tom Weber is currently chairman of the Committee. He has been a member of the Association for almost 27 years and has attained the remarkable achievement of having put in more than 27 years of Council and Committee work during that period.
