

**Association of Professional Engineers
of the
Province of Manitoba**

Outstanding Service Award

to

RICHARD ALLAN JOHNSON

B.Sc.E.E., M.Sc.E.E., P. Eng.

Born March 21, 1932

Winnipeg, Manitoba

Richard Allan Johnson was registered with this Association in December 1955, and was immediately appointed to the Board of Examiners. He was an active member of the Board for six years, and for two of these years he served as Chairman. From 1965 to 1967 he was a member of the Advisory Committee on the Code of Ethics, and in 1975 he joined the Legislation Committee.

In addition to his Association work, Professor Johnson has been actively involved with the Canadian Council of Professional Engineers, serving as Chairman of the Committee on Acceptable Canadian Engineering Curricula from 1960 to 1962 and as a member of the Canadian Accreditation Board from 1964 to 1967.

The Association is grateful for the work done by Richard Johnson, one of our most articulate members, and feels that he is a most deserving recipient of the Outstanding Service Award.
