

September 9, 2021, Council meeting announcement:

Engineers Geoscientists Manitoba is committed to the health and well-being of its employees, practitioners, and members of the public whom we serve. The Association has been closely monitoring updates from Manitoba Public Health and other national and local entities regarding COVID-19.

The September 9, 2021 Council meeting will be held in person and online. However, due to physical distancing protocols, space is limited for in person attendance and priority will be given to Council members, guest speakers and support staff.

Grant Koropatnick, P.Eng., FEC
Secretary
Engineers Geoscientists Manitoba
