

CALL FOR VOLUNTEERS

Want to get more involved with the Association? In need of hours for ProDev? If so, the Association is looking for volunteers to join the Ingenium Task Group.

INGENIUM TASK GROUP

The Ingenium Task Group is made up of volunteers who are interested in helping plan the professional development seminars that will be offered at the Association's annual Ingenium conference in October. The task group will suggest suitable topics of interest to our membership and assist in identifying potential speakers to present at future conferences.

General Duties and Responsibilities:

- Suggest suitable technical topics of interest to the membership for professional development sessions at the conference.
- Identify suitable speakers to provide presentations at the conference
- Assist in moderating conference sessions (optional)

Specific Skills and Qualifications

- The Task Group is currently seeking **one engineering or geoscience intern (EIT/GIT)** and **two professional engineers (P.Eng.) or geoscientists (P.Geo.)**. Senior members are welcome to apply for this position
- Have interest in professional development
- Awareness of developments in engineering and geoscience
- Have good communication skills

Time Commitment:

The Task Group will meet as needed, with approximately one meeting per month between March and June. Approximate time commitment of 2-3 hours per month. Moderators will also be required during the conference (times TBC).

How to Apply:

If you are interested in being a part of the Ingenium Task Group or want more information, please email Diana Vander Aa at Volunteer@EngGeoMB.ca.
