

CALL FOR VOLUNTEERS

Are you interested in volunteering? Want to give back to youth, the next generation of engineers and geoscientists? If so, volunteer as a judge for the Manitoba Schools Science Symposium.

Manitoba Schools Science Symposium

The Manitoba Schools Science Symposium (MSSS) is taking place from Friday April 11th to Sunday April 13th, 2025, at Maxbell Centre, University of Manitoba. The MSSS is the largest science fair held in Manitoba, where students from grades 4 to 12 will showcase their projects for a chance to win medals, awards, and scholarships.

General Duties and Responsibilities:

- Judging engineering and geoscience projects for the Association's Special Awards with guidelines provided.
- Attend a brief judges' orientation.

Specific Skills and Qualifications

- P.Eng., P.Geo. or Intern
- Strong communication skills
- Works well with others
- Must be flexible
- Ability to engage with students
- Ability to judge projects in French is an asset

Time Commitment

Judges must be available to judge projects during the day on Saturday April 12th from 9 a.m. to 12 p.m. Judges may also be asked to attend a judge's orientation with the date to be announced.

How to Apply:

If you are interested in participating as a judge or would like more information, please email the Volunteer Coordinator at Volunteer@EngGeoMB.ca.
